TO LOVE A PERSON IS
TO LEARN THE SONG
IN THEIR HEART, AND
SING IT TO THEM
WHEN THEY HAVE
FORGOTTEN.

-Arne Garborg

From Our Spiritual Care Team:

Truly, truly, I say to you, unless a grain of wheat falls into the earth and dies, it remains alone; but if it dies, it bears much fruit (John 12:24).

He is Risen! Hallelujah. The tomb was found empty, which means that the promise of God to send His one and only Son for the salvation of the world is true. The empty tomb is the fulfillment of this promise and because of it we have life eternal. That's what Resurrection Sunday is all about. Jesus took our guilt and sin with him to the cross. We have been forgiven and sanctified and we now have the opportunity to live the lives we were called to.

As we enter spring here in Minnesota, farmers prepare the soil for seeds and then wait for the harvest to come. As believers we are called to bear abundant fruit, fruit that will last. God has prepared the soil and provided us with seeds to sow in the lives of others. What seeds of love and hope are you planting in your household and communities this spring? What harvests do you want to see happen in your life and the lives of those you love? Begin to plant the seeds of God's promises in yourself and others and watch how the Holy Spirit brings forth abundant fruit.

*Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead
(1 Peter 1:3).*

Happy Birthday!
