

### What Makes a Dad

God took the strength of a mountain,  
 The majesty of a tree,  
 The warmth of a summer sun,  
 The calm of a quiet sea,  
 The generous soul of nature,  
 The comforting arm of night,  
 The wisdom of the ages,  
 The power of the eagle's flight,  
 The faith of a mustard seed,  
 The patience of eternity,  
 The depth of a family in need,  
 Then God combined these qualities,  
 When there was nothing more to add,  
 He knew His masterpiece was complete,  
 And so, He called it ... Dad

### **From Our Spiritual Care Team:**

Many people I know have found great comfort in Psalm 46 (below). Read through it once just for the purpose of finding out **reasons** God is allowing this pandemic to ravage our world and our households. Did you see the reasons? Read through it again and look for how **God is the hope** we should look to.

- <sup>1</sup> God is our refuge and strength, a very present help in trouble.
- <sup>2</sup> Therefore we will not fear though the earth gives way, though the mountains be moved into the heart of the sea,
- <sup>3</sup> though its waters roar and foam, though the mountains tremble at its swelling.
- <sup>4</sup> There is a river whose streams make glad the city of God, the holy habitation of the Most High.
- <sup>5</sup> God is in the midst of her; she shall not be moved; God will help her when morning dawns.
- <sup>6</sup> The nations rage, the kingdoms totter; he utters his voice, the earth melts.
- <sup>7</sup> The LORD of hosts is with us; the God of Jacob is our fortress.
- <sup>8</sup> Come, behold the works of the LORD, how he has brought desolations on the earth.
- <sup>9</sup> He makes wars cease to the end of the earth; he breaks the bow and shatters the spear; he burns the chariots with fire.
- <sup>10</sup> "Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!"
- <sup>11</sup> The LORD of hosts is with us; the God of Jacob is our fortress.

## Getting to know... **Teresa Wingert** ... A True Survivor

Teresa was born in Poland into a close loving family. At the start of WWII, they were separated and sent to a concentration camp when she was just 6 years old. Thankfully, at the end of the war they were reunited and had all survived. At the age of 12, Teresa's family was sponsored by a Catholic Church in Iowa to come to the US. She graduated high school there and met her husband while roller skating. They moved to Minnesota not long afterwards and lived a wonderful life. Teresa was an excellent seamstress, teaching sewing worldwide, and employed as a Technical Writer for Kwik Trip Patterns. When her dear husband passed away suddenly when she was 50, it was devastating. Her hobbies of gardening, decorating, sewing, and dancing helped her through some hard years. She did remarry and 2nd husband who passed away just a few years ago. Theresa is well loved by her 3 children, 8 grandkids, and growing number of great-grandsons. Her sister, Jadzia and brother, Stan continue to share their love and memories with her.
